Lauren Boebert Sounds Alarm on Torture in Unredacted Epstein Files

“This seems it wasn’t only the trafficking of young girls as the narrative suggests. There are code words that suggest Jeffrey Epstein and his associates could maybe even have been engaging in some sort of ‘consumption,’” Boebert told Newsmax on Wednesday.

The files include unverified allegations, and the Justice Department has not indicated they support claims of cannibalism or ritualistic abuse by Epstein or his associates. References to “The Cannibal” refer to a real restaurant, according to multiple fact-checkers.

“I saw more emails about torture,” she added. “And these coded conversations still have a very clear topic: that torture was big—it was a big driver for them—and these were sick people doing very, very sick things.”

EXACTLY WHAT KINDS OF 'TORTURE' ARE THESE 'BEASTS' USING?

September 07, 2024:

(PURPOSEFUL TORTURE)

THE GOVERNMENT IS DESPERATE TO STOP ME FROM SHOWING THAT THEY ARE COMPLETE FRAUDS AND CRIMINALS - FACTUALLY PROVEN ONCE AND FOR ALL - FROM WASHINGTON TO DON.

I WANT THIS LIVE STREAM TO BE ABOUT THE INFORMATION LISTED, BUT THE SECRET SERVICE DOES NOT WANT THIS INFORMATION TO BE SHARED.

INSTEAD OF ALLOWING ME THE PEACE TO SHARE THE INFORMATION WITH THE WORLD, THE SECRET SERVICE IS BOMBARDING ME WITH SOUND AGITATION TO CAUSE ME TO REACT IN SOME WAY. AT SOME POINT, AFTER CONTINUOUS AGITATION, WHAT CHOICE DOES ONE HAVE?

AMERICA DOES NOT DESERVE ITS PLACEMENT AS A WORLD LEADER ANY LONGER. I CANNOT AGREE THAT THIS IS THE STATE OF A LEADER OF THE WORLD. WE ARE DONE WITH THIS.
